PLIANT™ TECHNOLOGIES ANNOUNCES AVMB SOLUTIONS PTE LTD AS SINGAPORE DISTRIBUTOR

AUBURN, AL, OCTOBER 4, 2016 — [Pliant™ Technologies](http://www.plianttechnologies.com), the new professional intercom division of CoachComm®, has named AVMB Solutions Pte Ltd as its distributor for Singapore. AVMB Solutions Pte Ltd will help Pliant increase product availability and growth throughout Southeast Asia.

“We strive to meet the evolving needs of our customers and distributing Pliant Technologies intercom products will help us do that,” says KS Sng, Director at AVMB Solutions Pte Ltd. “Pliant Technologies provides products that are reliable, innovative and at an exceptional price point that fits the needs of the emerging markets we supply to. We are thrilled to add Pliant’s innovative intercom products to our inventory and to further expand its products’ availability throughout the region.”

Incorporated in 2008, AVMB Solutions Pte Ltd imports and distributes professional audio, video and multimedia products, which include mixers, microphones, intercoms, camera support equipment and lighting, from companies such as Azden® and Glidecam to countries within Southeast Asia. Located in one of the leading video and filming hubs in the world, AVMB Solutions Pte Ltd offers commercial expansion through system integration with the most advanced technologies.

“We are excited to be partnering with AVMB Solutions Pte Ltd as we continue to expand Pliant’s sales and customer support throughout Southeast Asia,” says Gary Rosen, Global Sales Manager for Pliant Technologies. “Both Pliant Technologies and AVMB Solutions Pte Ltd are consistently searching for new ways to provide the most innovative technology solutions to the industry. AVMB’s experience and knowledge will be a great asset to us.”
